

Thurso Town Improvements Association

The Secretary, c/o 9 Meadow Court, Thurso, KW14 8DD

Thurso Young Ambassador Award

Traditionally, TTIA have crowned a Gala Queen, and had a Queen's Court, but this year we've decided to change things, and recognise the young people in our community who are making a real difference in a number of ways.

We want you to tell us who they are and they could receive a Young Ambassador Award.

The type of things we are looking for could include:-

- Community spirit/Volunteering
- Educational efforts or achievements
- Sports or Arts
- Caring for people in their family or the community

We are looking for nominations of young people who will be under the age of 18 on the 31st December 2017 and live in the Thurso High School Catchment area. These nominees will be contributing significantly to the fabric of our community in some way above the normal.

There is no limit to the categories and if you feel that someone should be recognised for whatever they do, please send us details of them and the reason you feel they should be nominated.

The award will not necessarily be contained to one individual winner. Depending on the nominations received, we'll gladly award a number of individuals or a group entry. We're aware that this will be an incredibly difficult decision to make as most are deserving in their own right but we will do our best.

To nominate a young person/people, please write to the Secretary at the address above or by e-mail to Thursotownimprovements@gmail.com

The Awards will be presented on Sunday 25 June at the Midsummer Madness Weekend at the Dammies (Sir Georges Park), Thurso.
